The meeting's starting

Setup your workspace professionally, whether you are at home or in the office, with the versatile Verbatim AWC-02 webcam. Keep your video calls crystal clear with Full 1080p HD resolution and 2K at 30fps.

The webcam can be rotated 360° to get the best position and with a 72° field of view, the camera captures head and shoulders plus some of your background, giving a glimpse into your workspace.

Choose from 3 light modes; warm light, medium light or cold light (or off entirely) depending on preference. Designed for streaming, the lighting can be changed quickly and easily via a button on top of the camera.
