LIGHTNING FAST

SSDs have no moving parts which make them faster, more reliable, completely silent, and use less power!

ALL THE GAMES IN ONE PLACE

Purpose-built extended storage for gamers looking to save their gaming library in a convenient, high capacity, on-the-go device.

DESIGNED FOR GAMERS

With a sleek black design taking inspiration from the latest consoles and colour changing LED light accents, the SureFire Gaming Hard Drive is a stylish solution to the game overflow.

NERO BACKUP SOFTWARE

For added security, Nero Backup software is provided to help you back up all your files, folders, and drives from your laptop or PC whenever you want.
