Instructions

Power On

Take the earbuds out of the charging case, and the earbuds will automatically power on.

Pair & Connect

1. For the first connection, after being taken out of the charging case, the left and right earbuds priority interconnect and enter the Automatic Pairing State.

Note: Keep the charging case open during pairing.

2. Enable the Bluetooth of your mobile phone or other devices, click "Vention E11" in "Search for Bluetooth Devices", and click "Pairing" when the device is searched.

Note: Keep the Bluetooth device within 1 meter of the earbuds during pairing.

Power Off

Put the earbuds into the charging case to power them off.

Phone Calls

Answer – Tap the MFB (L/R)
Hang-Up – Tap the MFB (L/R)
Reject – Double-tap the MFB (L/R)

Music Play

Pause – Tap the MFB (L/R)
Play – Tap the MFB (L/R)
Skip Back – Triple-tap the MFB (L/R)
Skip Forward – Double-tap the MFB (L/R)

Voice Assistant

In the Standby State, long-press the MFB (L/R) for 2s to turn the Voice Assistant on or off.

Indicator Lights Status

1. Button Activation: When the earbuds are out of the case, the green light turns on for 8s, then goes off.
2. Earbud Charging: The green light stays on while charging, and turns off when fully charged.

3. Charging Case Charging: The orange light blinks while charging, and stays on when fully charged.

Safety Warning

Please read all instructions and warning before using this product. Non-standard use will damage the product or personal safety.

1. The battery is included in the product. Please do not expose it to the sunlight, fire or other over-heating environment; Do not store it in high temperature, strong light or magnetic field environment; Do not place it in other harsh environments such as fire source.
